Student Disability Resource Center

The Student Disability Resource Center (SDRC) is committed to ensuring an equal educational opportunity for all qualified students with disabilities. A unit of Student Affairs and Enrollment Management (SAEM), the Student Disability Resource Center supports both the SAEM mission and the University's strategic plan by promoting and contributing to a university community centered on student learning and success. The SDRC office staff is responsible for the coordination of all services for students with disabilities. Our objectives are to provide reasonable academic accommodations and coordinate appropriate services based on the student's individual needs.

Students initiate services by completing the Voluntary Declaration of Disability (VDD) form located at http://students.georgiasouthern.edu/sdrc/steps-for-receiving-services/ under the Receiving Services tab. The VDD is returned to our office along with documentation of the disability. Academic accommodations are determined on an individual basis using USG documentation guidelines found at: http://www.usg.edu/academic_affairs_handbook/section3/C793/#appendix_e_specific_documentation_guidelines

Our office is located on the second floor of Cone Hall. Please contact us at (912) 478-1566 or Video Phone at (912) 225-9877.
