Total Credit Hours 24

1 Requires Instructional Design (FRIT 7231) as a prerequisite
2 Admission into Practicum in Instructional Technology (FRIT 7739) requires completion of all program specific required courses and acceptable level performance on all program key assessments

Other Program Requirements

- Must maintain an account on the College’s electronic data-management system.
- Must successfully complete assessments identified at each program transition point.
- Instructional Technology Foundations (ITEC 7530) (or equivalent course) may not be used as credit toward Instructional Technology certification.
- Claim Georgia Southern University as your program provider in your MyPSC Account during your first term of enrollment (see information under MyPSC Account in Graduate Catalog, College of Education).

This program is approved by the Georgia Professional Standards Commission as a program leading to certification in Instructional Technology. Completing the program will prepare candidates for certification, but candidates should consult with program faculty, the College of Education Graduate Academic Services Center, or the Georgia Professional Standards commission regarding current certification rates upon entering the program.
