Student Media

Georgia Southern’s Office of Student Media produces a student newspaper (The George-Anne) published Tuesdays and Thursdays during the academic year, a glossy general interest magazine (The Southern Reflector), and a semi-annual magazine of the arts (The Miscellany Magazine of the Arts). In addition, Student Media publishes news and entertainment online including video. Students perform all editorial, advertising, and marketing functions.

The mission of Student Media is to promote and build a sense of community by helping students learn about each other and how to become engaged in campus life and in the affairs of Georgia Southern University. The students who lead and work for these media outlets gain real-world experience and develop critical thinking and communication skills which are valuable in any career path.
