Instructional Technology
M.Ed. (Georgia ONmyLINE)

Degree Requirements: 36-42 Credit Hours

The courses in this program are offered 100% online.

Admission Requirements

Regular

1. Complete requirements for a Bachelor’s degree from a regionally accredited institution.
2. For admission to the Instructional Technology Concentration or the Dual Certification Concentration, a valid, level 4 or higher Induction, Professional, Advanced Professional, or Lead Professional teaching certificate, leadership certificate, service field certificate, or Life certificate is required.
3. For admission to the non-degree certification only program in Instruction Technology, a valid, level 4 or higher Induction, Professional, Advanced Professional, or Lead Professional teaching certificate, leadership certificate, service field certificate, or Life certificate and a master’s degree in any field in education are required.
4. For admission to the Media Specialist Concentration, certification is not required, but the program will exceed 36 hours to meet certification requirement.
5. Present a cumulative 2.50 (4.0 scale) grade point average or higher on all undergraduate and graduate work combined.
6. For students who do not possess a level four or higher Georgia Certificate, present official report of scores on the Miller Analogies Test (MAT) or the verbal, quantitative and analytical writing sections of the Graduate Records Examination (GRE). Students who hold a valid, level four or higher certificate are not required to submit GRE or MAT scores.
7. Submit a completed “Disclosure and Affirmation Form” that addresses misconduct disclosure, criminal background check, the Code of Ethics for Educators, and tort liability insurance.
8. Persons seeking initial certification not holding level four certification must submit passing scores on the GACE Program Admission Assessment or be exempt by acceptable SAT, ACT, or GRE scores.

This program is approved by the Georgia Professional Standards Commission as a program leading to certification in Instructional Technology. Completing the program will prepare candidates for certification, but candidates should consult with program faculty, The College of Education Graduate Academic Services Center, or the Georgia Professional Standards commission regarding current certification rules upon entering the program.

Provisional

Applicants may be approved for provisional admission based on the quality of the admission material presented.

Provisional students must earn grades of “B” or higher in their first nine (9) hours of coursework after admission and meet any other stipulations outlined by the department to be converted to regular status.

Concentration: Instructional Technology, 36 Credit Hours

Concentration Intent: This program meets the content requirements for a level five service certificate in Instructional Technology in Georgia.
