Communities in the Residence Halls

Living in a residence hall means being part of a residential community focused on your academic success at Georgia Southern University. Each of the eight residence halls offer different communities based upon the students living there, the nature of the building and sometimes the specialized programs or floors that are based around themes, academic programs or other learning initiatives. Each year, University Housing, in partnership with other campus offices, colleges, and faculty members, provides support to the students living in our residential communities in different ways.

More information about the different community options each year is available on the housing website at http://www.gsuhousing.com.
