IDS Interdisciplinary Studies

IDS 4111 Capstone in Interdisciplinary Studies
1 Credit Hour. 1 Lecture Hour. 0 Lab Hours.
The capstone course in interdisciplinary studies provides students in the Bachelor of General Studies program with a forum and with the tools needed to functionally blend the elements of the major, articulate the competencies they have developed and achieved, demonstrate the efficacy of their individualized degree program, and communicate that information to internal and external audiences.

Prerequisite(s): A minimum grade of "C" in ENGL 1102 and departmental approval.
