Teaching M.A.T.
(Concentration in Middle Grades Education Grades 4-8)

Degree Requirements: 45 Hours

Program Intent and Admission Requirements:

The Master of Arts in Teaching (MAT) leads to initial teaching certification and a master’s degree for those persons who hold a bachelor’s degree from a regionally accredited institution.

- Middle Grades certification (4-8) for candidates who hold a bachelor’s degree. Candidates must complete two teaching concentrations from language arts, science, social studies, and mathematics.

The total credit hours for the degree are dependent on previous course work completed in the area of certification. A transcript evaluation by the College of Education's Graduate Academic Services Center is required. Prerequisite content course work, based on the transcript evaluation, must be completed as a non-degree student before admission into the program.

Admission Requirements
