Students transferring in with an Interior Design Major from other schools are required to have their portfolio and transcript(s) evaluated by the Interior Design Program Coordinator who is responsible for determining which design courses remain to be taken and which design courses are eligible to receive transfer credit hour. Adequate time must be allowed for scheduling, review and notification. Please contact the program coordinator to schedule an appointment.

Honors in Interior Design

To graduate with Honors in Interior Design, a student must:

- be admitted to the University Honors Program;
- successfully complete at least three credits of HONS 4610 over three semesters;
- successfully complete and present an Honors Thesis or Capstone Project;
- be in good standing in the University Honors Program at the time of graduation.

Application for Admission to the Interior Design Program

The following completed Admission Package must be turned in by the application deadline in order for the candidate to be considered:

1. Official Application

3. Verification of grades with official transcripts of all schools attended including this university (WINGS accepted); mid-term verification of grades for all required courses in process. (Students may be in the process of taking Drawing I (ART 1010) or 2D Art and Design Foundations (ART 1020) and will be required to submit a mid-term grade from the professor. Final acceptance is contingent upon the final grade received in the course.)

Midterm grade cards can be obtained from the secretary in building 211.

Program Progression Requirements

Students must earn a minimum grade of “C” in all courses within the major requirements including remaining Area F courses.

1. Students must complete the courses in sequence and complete all prerequisites. If a course is dropped or failed, then the student will be out of sequence and graduation will be delayed. These students may have to reapply to the major depending on circumstances, availability of space, and time elapsed between classes.

2. Majors that drop from the program due to personal reasons and wish to reapply at a later date must have courses and skills reevaluated to determine eligibility for the current curriculum and program.

NOTE: Students transferring into the Interior Design major from other majors or from other institutions may not be able to graduate necessarily within the traditional four-year period.
