Health and Physical Education B.S.Ed. Professional Studies (Non-Certification Track)

Degree Requirements: 124 Credit Hours

The BSED degree with a major in Health & Physical-Professional Studies (Non-Certification Track) provides students who are interested in education the opportunity to take coursework with planned minors and concentrations. The degree allows for choice in several areas leading to a broad background. When accepted to the University all Health and Physical Education majors are placed in the Professional Studies, (Non-Certification Track). This track does NOT lead to teacher certification. Upon meeting teacher education program admission requirements, those seeking teacher certification in Health and Physical Education will move into the BSED Health & Physical Education Certification Track.

See Core Curriculum for required courses in Area A1 through Area E.
