Electives

15-18 credit hours must be at or above the 3000 level (only 21 if PSYC 1101 taken in area E).

Total Credit Hours 124

Admissions

Admission to either Bachelor of Science degree requires regular admission to Georgia Southern University. Students must be eligible for College Algebra (MATH 1111) and Composition I (ENGL 1101).

Progression Requirements

- Students must attain a grade of C or better in all required courses in Area D, Area F, and the major area of study, and must maintain an overall minimum grade point average (GPA) of 2.0. However, students who are earning a GPA less than 2.5 should strongly consider another major, as most graduate programs will require a minimum GPA of 2.5 or higher.
